## NOTICE:

### To All Unauthorized Persons Who would Enter These Premises

**THIS BUSINESS IS A MEMBER OF ALTERNATIVE HEALTH GROUP**  
A 1<sup>st</sup>, 5<sup>th</sup>, and 14<sup>th</sup> Amendment Private Membership Association that contracts for services and benefits with private members only, not the public. Generally, our Association is outside the jurisdiction and authority of Federal and State Regulatory and Licensing Agencies except in the case where there is direct evidence of some activity that rises to a level of a clear and present danger of substantive evil. Otherwise, we claim and exercise our Right of Privacy of Association affairs, documents, records and membership lists unless a valid court order exists. If there is a valid court order, we will respectfully object and resist on the grounds of the provisions of the 1<sup>st</sup>, 4<sup>th</sup>, 5<sup>th</sup>, and 14<sup>th</sup> Amendments to the U.S. Constitution and several U.S. Supreme Court decisions upholding our objections to the threat of contempt sanctions. Also, we would request that any further communications be in writing. Any violations of our Private Association rights will be dealt with using the appropriate legal actions against the responsible parties in a Federal and/or State Court.
